MARVELL VIETNAM EXCELLENCE SCHOLARSHIP 2024

The 2024 Marvell Vietnam Scholarship Program is offered to undergraduate engineering students in targeted universities in Vietnam.
30 scholarships will be offered – Total $30,000

Application timeline: November 1, 2023 to February 29, 2024

General criteria
- Vietnamese nationality
- Good level of English.
- Not employed/offered by other companies, including Marvell
- Interested in a career in the semiconductor industry in Vietnam

CATEGORY	
Category 1	Category 2
10 scholarships – Each $2000/48,000,000 VND	20 scholarships – Each $500/12,000,000 VND

1. 3rd&4th year students from the listed universities
2. GPA: 7.5
	1. 2nd, 3rd, 4th year students from the listed universities
	2. GPA: 7.0
	3. Special consideration:
	   a. Students under hardship
	   b. Students with excellent performance in university extracurricular activities, engineering research.

Eligibilities:

1. HCMC University of Technology
2. HCMC University of Science
3. Posts and Telecommunications Institute of Technology
4. HCMC University of Information Technology
5. HCMC University of Technology and Education
6. Danang University of Science and Technology
7. Hanoi University of Science and Technology
8. Vietnam Korean University of Information and Communication Technology
